

## FABRIC WAL

### Product Features

- Steel Pantograph Framework
- Beautiful Vinyl Fabric, Carpet or Panel Fabric Covers
- Sound ratings of STC 39 and STC 40
- Exclusive Adjustable Sweep Seals

### SOFT DESIGN AT AN AFFORDABLE PRICE

Fabricwal® accordion partitions combine the best features of the other popular brands of fabric accordion partitions with added timely innovations. Beautiful soft folds of up-to-date, colorful, heavy-duty vinyl fabric, luxurious wall carpet or popular panel fabrics are supported by a welded steel, pantograph hinged framework. Quiet, easy operating, nylon-tired, ball-bearing wheels, standard on all models, carry the partitions effortlessly in heavy duty extruded aluminum overhead track. Deep-nesting acoustical end posts have positive latches. Prefinished metal Ceilingshield is standard for recessed track.

Sight dividing models as well as acoustically rated models may be specified.
